

COMMERCIAL PROJECT PORTFOLIO

Tenant Improvements | Retail | Hospitality
Professional Offices | Fuel & Convenience

CALGARY, ALBERTA

Selected commercial work completed by our team

BUILT FOR COMMERCIAL ENVIRONMENTS

APX Construction delivers commercial renovations, tenant improvements and project management for customer-facing businesses and professional spaces. This portfolio highlights selected work across Calgary and Alberta, with an emphasis on finished environments that are functional, durable and ready for day-to-day operations.

TENANT IMPROVEMENTS

Commercial interiors, renovations and fit-outs.

RETAIL & HOSPITALITY

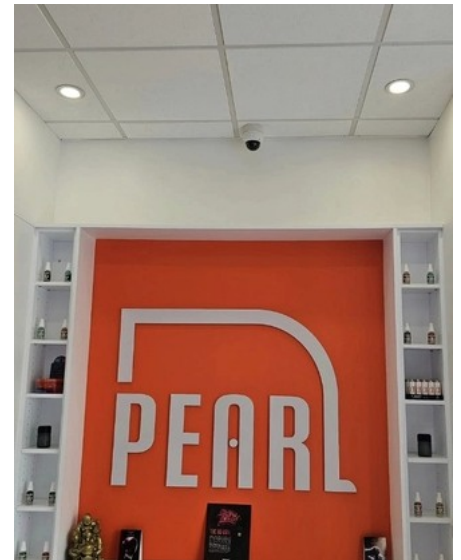

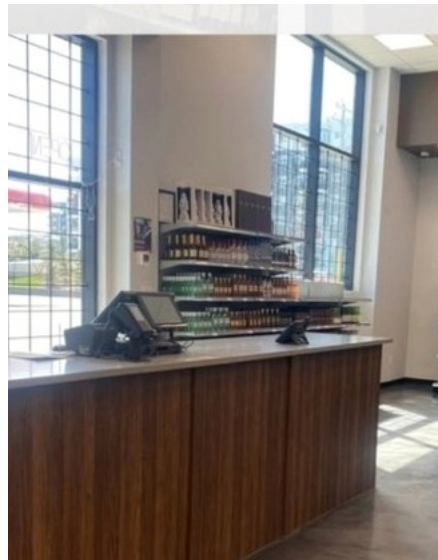

Convenience, liquor, restaurant, bar and specialty retail.

OFFICES

Professional and customer-facing workplace environments.

FUEL & CONVENIENCE

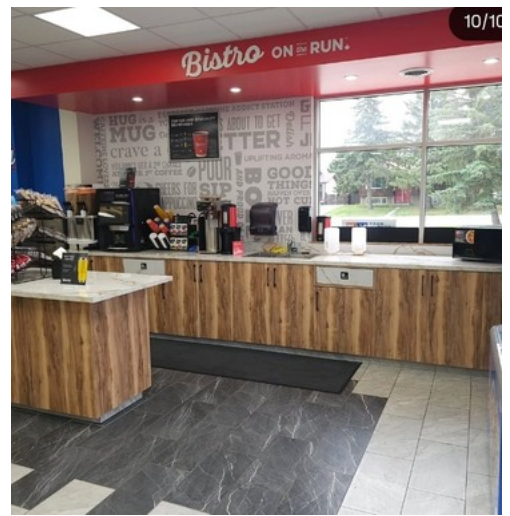

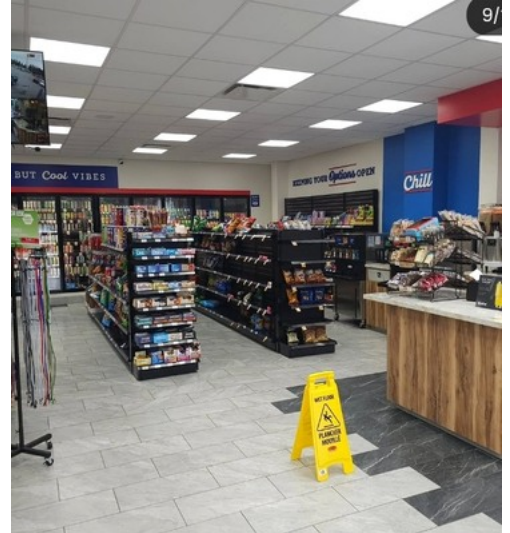

Gas station, convenience retail and car-wash improvements.

PROJECT 01

On the Run

Red Deer, Alberta | Convenience Retail / Commercial Renovation

PROJECT OVERVIEW

Commercial interior renovation of a high-traffic convenience retail environment, with refreshed customer areas, updated service counters, improved merchandising zones and a modern Bistro service area.

PROJECT 02

Trust Convenience

Calgary, Alberta | Convenience Retail / Commercial Interior Fit-Out

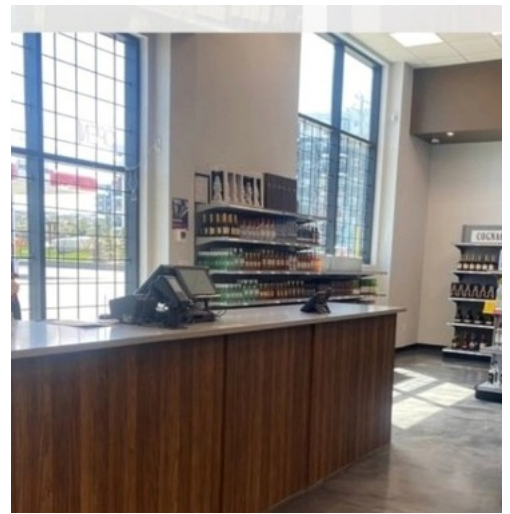

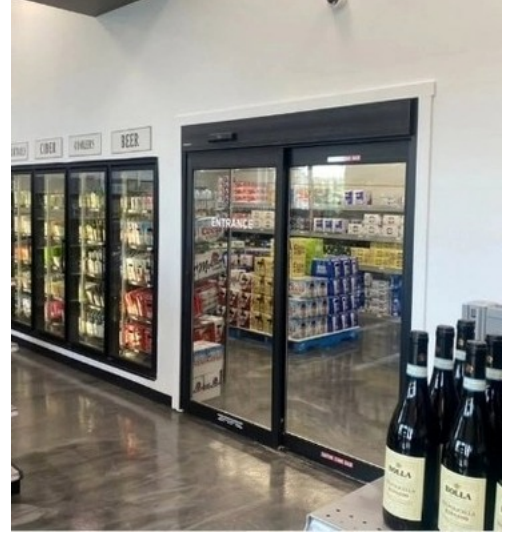

PROJECT OVERVIEW

A modern convenience retail interior built around strong branding, customer flow and durable commercial finishes. The completed space includes custom service areas, feature walls, specialty merchandising, integrated lighting and a dedicated coffee and quick-service zone.

Liquor Mall

Calgary, Alberta | Retail / Liquor Store Renovation

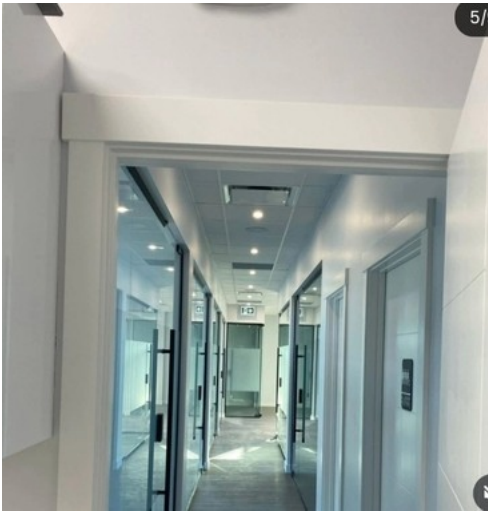

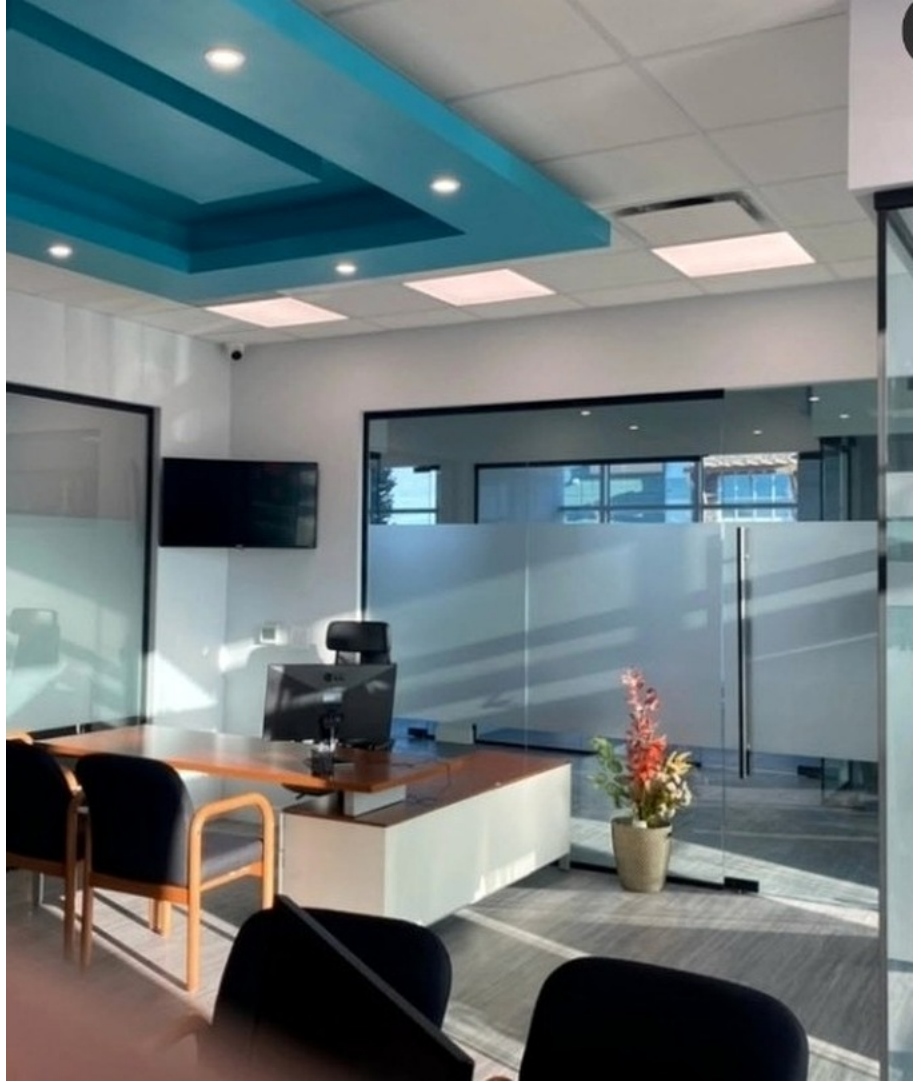

PROJECT OVERVIEW

Commercial retail renovation creating a clean, organized shopping environment with cooler walls, merchandising areas, a customer service counter and durable finishes suited to a busy liquor retail operation.

PROJECT 04

EasyTrip Travel Agency

Calgary, Alberta | Professional Office / Commercial Fit-Out

PROJECT OVERVIEW

A professional office fit-out featuring glass partitions, private offices, reception and work areas, bright circulation spaces and polished client-facing finishes. The layout balances privacy, visibility and day-to-day workflow.

Head Over Heels Bar

Calgary, Alberta | Hospitality / Bar Interior Renovation

PROJECT OVERVIEW

Hospitality interior renovation with a custom bar, integrated feature lighting, lounge seating, decorative wall treatments and a distinctive entertainment floor. The finished environment was designed for atmosphere, guest experience and commercial durability.

Biryani 65

Calgary, Alberta | Restaurant / Hospitality Interior Renovation

PROJECT OVERVIEW

Restaurant interior improvement with distinctive feature finishes and a clean commercial layout. The project highlights durable customer-facing materials and detailed interior treatment suited to a busy food-service environment.

Pearl Cannabis

Calgary, Alberta | Specialty Retail / Commercial Interior Fit-Out

PROJECT OVERVIEW

Full specialty retail interior fit-out with a strong branded feature wall, integrated lighting, product display areas and a clean customer-facing layout. The completed space combines retail presentation with the functional requirements of a regulated commercial environment.

PROJECT 08

Esso / On the Run

Calgary, Alberta | Fuel Retail / Convenience / Car Wash Improvements

PROJECT OVERVIEW

Commercial improvements across a fuel-retail property, including the Esso exterior, car-wash entrance, On the Run storefront and convenience-store customer areas. The project demonstrates coordinated work across exterior, service and high-traffic retail environments.

LET'S BUILD THE NEXT PROJECT.

Commercial construction, tenant improvements and project management.

Serving Calgary and projects across Alberta.
